Departmental Activities

March 31, 2022. Cyber Security awareness involves being mindful of Cyber security in day-to-day situations. Being aware of the dangers of browsing the web, checking email and interacting online are all components of cyber security awareness. With the aim to make students aware about the Cyber Security, the Cyber Jaagrookta (Awareness) Committee of Government Degree College Kathua today organized online slogan writing competition. Students of the college enthusiastically participated in the competition to showcase their responsibility to make sure everyone considers cyber security an essential part of their role.
